QUALIFICATIONS

I have over 30 years experience working with parents and children in the community, ranging from care giver to parenting education, and art instruction. This period includes 15 years of clinical work in a department of child psychiatry at a children's training hospital of McGill University, Montreal, Canada. Some of my expertise includes the following:

Art Therapy clinician (individual and groups)

Educational Co-ordinator and Supervisor of Art Therapists

Developing Educational programs and training for Mental Health Professionals as
Therapeutic Art Technicians in

Bangkok, Thailand

Conference Presenter, Workshop Facilitator, University Lecturer at home and abroad.
